An intimate reception at the Ottawa residence of Her Majesty <sup>^</sup>™s governor general ... The arrival of a ship in Vancouver. Three seemingly unrelated events three thousand miles apart upset the balance of global power and alter the landscape of the free world. As Canada <sup>^</sup>™s prime minister, James Howden, works to ensure his nation <sup>^</sup>™s survival in a nuclear war, he faces another threat: a lawyer on a crusade for justice and truth. With two nations struggling to keep a lid on an explosive secret, Howden will undergo a crisis of conscience that leaves him fighting for his political life.
