

A sexy category romance novella from Entangled's Brazen imprint... He always gets what he wants... Marketing executive Thomas Jones is over Vegas cheap booze, cheap girls, and the reek of disappointment. Still, a business meeting with the elusive Brianna Faulk could mean landing a casino account he needs. But the moment he meets Brianna—and her lush, pin-up curves—Thomas's needs are quickly replaced by an intense, overwhelming want... He warned her that he was insufferable; he didn't warn her that he was irresistible. Because despite all of her professionalism, Brianna wants nothing more than to be completely and thoroughly taken by Thomas. Ravished. Satisfied. So she gives him one night to blow her mind before they both return to real life. Except that one night isn't enough...and more than one night could reveal the secrets Brianna is determined to hide. Previously released on the Ever After imprint in May 2013.
