

Perpetuum mobile: Fernando Lalana ha convertido la Caesaraugusta de hoy en una capital del mundo imaginario, una megalopolis del enigma, con laberinticas calles repletas de toscos garitos que ofrendan al vino peleon, viejas academias de la ultima oportunidad y el conocimiento en desuso, suburbiales solares solitarios, viejas buhardillas aherrumbradas, alquimicos talleres industriales decimononicos abandonados, galerias subterranas horadando el subsuelo de la apariencia, antiguas casas senoriales venidas a menosâ€ donde anida el misterio y surge la aventura. En Perpetuum Mobile, el sotano de una de esas casas palaciegas encierra una antigua invencion a cuyos poderes se enfrentara un grupo de jovenes que prepara el estreno de una pieza teatral. Para lectores de 14 anos en adelante.
