

An old mystery at the heart of a new crime. With Rosh Hashanah upon him the last thing Rabbi Jeremiah needs is to get involved with another mystery. This time, though, it is Detective Mark who pulls him in to help translate bloody Hebrew letters at a crime scene. It doesn't take long before Cindy is pulled into the middle of things as it becomes clear that this is more than just a simple murder. Behind this killing is a mystery decades old that stretches back to the dark days at the end of World War II. Now Cindy and Jeremiah must stop a killer who seems to always be one step ahead as they try to find the secret buried in the heart of the word Restoration.
