

A gifted filmmaker who is also a lover of pirate legend and lore, Cassidy Dale decides to make the perfect pirate movie; even purchasing an authentic pirate ship and booking a shoot on the high seas of the Caribbean. The morning of the shoot, Cassidy awakes to find her ship oddly transformed. The ship has set sail without her permission and her cast is missing; and her leading man has been replaced by a gentleman who seems--for all intents and purposes--to be a real live pirate. Marius Blaine is a Caribbean pirate who has encountered his share of obstacles during his journey on the high seas; everything from tropical storms to nefarious treasure raiders. Yet never has he encountered anything quite like Cassidy; a spirited, very outspoken woman who seems like something from another time. Can the two overcome their differences to find love on the high seas? Warning! This ebook contains explicit details of passion and desire. For adult eyes only!!!
