

In this witty romp of a planetary romance, Arnason's recurring character Lydia Duluth joins a motley crew of intergalactic travelers to explore the long-lost homeworld of the Atch, who have a mysterious history they'd like to keep buried on the planet they left behind. But the expedition goes awry when a rogue AI, determined to keep the planet and its system quarantined, destroys the star-gate, stranding the expedition on the planet. The travelers encounter the native Atch and discover the Tomb of the Fathers--and see firsthand what can happen when childcare becomes the dominant issue for a species. Eleanor Arnason is a treasure, writes Andrea Hairston, the award-winning author of *Mindscape*. Why? She knows her craft, respects her audience, and has a dazzling imagination. She entertains us with fearless writing. *Tomb of the Fathers* is an elegant thought experiment on gender, class, and ethics. An interstellar comedy of errors, *Tomb of the Fathers* is laugh-out-loud funny and also a thought-provoking thriller. Arnason's deft universe-building transported me to the great beyond where I delighted in the company of complex, juicy characters who--whether human, humanoid, machine, or genetic mash-up--bared their souls. *Tomb of the Fathers* is the space adventure you've been dying to read. At the last page, I wanted more. Indeed, my only complaint is that I want a sequel now! And Carolyn Gilman, author of *Halfway Human*, says Fair warning: don't open this book unless you're prepared to spend the next few hours in a world of Marxist aliens, sentient spacesuits, topsy turvy gender relations, and eyes-glued-to-the-page adventure. Eleanor Arnason writes fast-paced space drama riddled with wry humor and social commentary. Heavens, it's tasty.

Libros Para Colorear Para Adultos De Mandalas De Peces (Fish & Mandalas) (Spanish Edition), *The Third Policeman*, *Wonders of the Invisible World*, *Lipnotista* (Longanesi Thriller) (Italian Edition), *Oliver Twist* (Boje-Buch, Deutsche),

Remains of the great ruler's father are not in the same tomb, but may instead be in one nearby, new research says. Philip II of Macedonia may be buried in a different tomb than was previously thought. Forty years after the bones of suspected royalty were found in Greece, experts have confirmed they belong to Alexander the Great's father, King.

In this witty romp of a planetary romance, Arnason's recurring character Lydia Duluth joins a motley crew of intergalactic travelers to explore the long-lost.

Brave daughters undertake quests to find their missing fathers in "Tomb Raider" and "A Wrinkle in Time." Seekers of an empowering role model.
